DOMINIC VERSTRAETEN | OAK VIEW TEEN CENTER 2026 BGC GV Overall Senior Youth of the Year

I've been a Club member since 3rd grade, and being nominated for Youth of the Year twice, is one of the greatest honors of my life. The Boys & Girls Club has given me life skills I use every day and has truly become my second home.

From the class clown I once was to the confident young man I am today, the Club's staff have shaped me in ways I'll never forget. Directors like Luis, Jennifer, and Vince believed in me, encouraged me, and stood by me through every challenge and every moment of growth. Their support helped me find my voice, discover my strengths, and step into opportunities I never imagined.

Now, as a high school graduate attending Ventura College to become a paramedic, I'm proud to work at the Club part-time, mentoring the next generation just like others once mentored me. I know I'm ready for whatever comes next because of the people who showed up for me here. The Club has given me confidence, leadership, and a community that feels like family and I'll carry these experiences with me for the rest of my life.
